Dear Mr. _____,

I am applying for the job of cook at Belmont Restaurant. You specify that you are looking for someone with cooking experience and customer service skills. My skills and experience make me an ideal candidate for the position.

I am an experienced cook and have worked in the kitchen at the Lavidia restaurant for the past four years. It is a high-turnover environment where members of the team each have their responsibilities, but we all do whatever needs to be done and work closely together. Excellent communication and interpersonal skills are an essential part of the job, and I am valued for my energetic and enthusiastic approach to work.

As part of the Belmont Restaurant team, I am eager to bring commitment to food preparation, quality and safe handling. My goal is to bring your restaurant a notch above its current status in the culinary industry. This goal when intertwined with my talents and experience will be a perfect recipe for success.

I am confident that my experience and skills will make me a valuable member of the Belmont Restaurant. I look forward to meeting with you and will give you a call to follow-up on my job application the week of May 15. Please contact me at (XXX) XXX-XXX if you need further information regarding my suitability for this position.

Thank you for your time and consideration.

Sincerely,
